Policy for VISITORS to Juan de Fuca Lawn Bowling Club

In order to bowl at the Juan de Fuca Lawn Bowling club (JDF), the visiting bowler must be invited by a member of JDF or alternatively, the bowler can contact the JDF Coaching Co-ordinator to ask for permission to bowl at the club. The visiting bowler must sign in when arriving at the club and a sign in book will be made available in the office.

Members from other clubs are welcome to bowl at JDF for a total of THREE visits in one bowling season. If they wish to continue bowling at JDF, they must then join as an Associate member or a Full member.

Associate member definition:

An Associate member must be a playing member at another BSI club. The Associate membership fee for 2017 at JDF is \$80. An Associate member is allowed to bowl every day at JDF if they wish and can join in on Daily draws and any event that does not involve a trophy. They are also invited to join in on any social event that is held at JDF. However as they are not a Full member of JDF, they cannot represent JDF at any BSI or other tournaments.

Family and Friends of JDF Club members are welcome to join us in our Daily draw, Tea Day or any Fun event.
