Draw:

For 2021 the Drawmaster records all games on a spreadsheet and from this he creates the draw each week. By using this method, he ensures you do not play the same person repeatedly.

Upon arrival to the Greens add your initials to the Attendance Calendar and then the Drawmaster will give you your rink assignment as well as the name of your opponent. Head to the correct rink and your opponent will meet you there.

Conditions of Play:

1. The format will consist of 4 bowls per player; all games shall be first to achieve 15 shots, with a time limit of 1 hour and 30 minutes. Any shots in excess of 15 are not counted.
2. All games may be played by throwing the Jack and then setting it or placing it before leaving the end to score the head.
3. You may visit the head after you have thrown your third bowl.
4. A burnt end is a played end, record it as a no score for both players.
5. Members will earn match points from each game based on three (3) points for a win, one (1) point for a tie, and zero (0) points for a loss.
