

Thursday Juan de Fuca (JDF) Ladies League:

Thursday Morning Ladies Day was started just after the Commonwealth Games in 1999 by Pat Kelly. When the League first started Pat placed the entry fee at \$1.00 for Pairs and Triples. Cecile raised that to \$2.00 for each where it stayed until Linda bumped the entry fee for the Triples to \$3.00 and in 2022 the Pairs will be raised to \$3.00 too. That is a lot of bowling for extraordinarily little cost! And Linda has lots of interesting ideas for possible changes to the playoff format, so come and join us.

Thursday Ladies League is open to all ladies who have joined the Juan de Fuca (JDF) Lawn Bowling Club as full-time members. New players are especially welcome. It is a great way to learn the rules, have some fun and to play the game with new and experienced players.

Play starts on the second Thursday in May and goes into September. The first half of our season will be games of Triples and the second half will be games of Doubles.

Players may join at any time during the season. All fees collected will be awarded as prizes.

Scores are tallied individually, and playoffs are held at the end of each session for both Triples and Doubles. Playoff contenders will be those who have the highest scores after playing in a set number of games during each half of the season.

There may be a brief reminder or clarification of rules or etiquette of the game before play begins.
