

## **Tuesday JFD Men's Triples League History:**

The Men's Triple League was started in 2019 by Steve Hambleton with the intent to provide an opportunity for Juan de Fuca (JDF) men to compete in scheduled team league competition. All men, including novices are encouraged to participate provided they have joined the JDF Lawn Bowling Club as a full-time member.

The number of Triples teams (3 men) are determined by the number of people registered. Triples Teams will be made up through a draft process. Designated Captains (not necessarily skips) will draft players from a list of registered members. In 2020 and 2021 due to Covid the League was restricted to playing a Pairs game.

On Tuesday mornings the teams check in at 0945 and the games start at 1000.

Each game consists of 14 ends each. Typically, the first season last 6-8 weeks. If an odd number of teams are formed, all teams will have one bye week. If there is interest, a second season may be organized using the same format.

Interested players can register either by email (coordinator sends an email to all men) or on a sign-up sheet in the clubhouse. Members who cannot commit to a weekly schedule may sign up as a Spare. There is no fee to participate.
