

A Two Bowl Six Pac Saturday Afternoon

Saturday Afternoon June 18. 2022

Format: A “Tags-In by 12:45” afternoon of Bowls. Game 1 starts at approximately 1pm. Game 2 at approximately 2:10 pm.

Two games using 2 bowls per player of 6 ends each game. It can be played as a triples game or a pairs game under our Laws at JDF (Winner of the end just played sets the Jack, Dead (Burnt) End placed on the 2-meter mark, etc).

If 2 opposing bowls are so close to the jack that a winner cannot easily be declared, the point can be split rather than a delay for measuring.

There is a “normal” rotation of players – each Lead delivers their 2 bowls on an alternate schedule, then each Vice does the same, & finally each Skip follows.

If played as a pairs game, of course there is just a Lead & a Skip. Each end is scored 1 point for each shot bowl.

For each game, there are 3 points for a win & 1 point for a tie.

At the end of the first game, the Loser stays on the rink they just played on, the Winner moves to the rink on their right & plays the incumbent there.

A short (15 mins) break for a refreshment between games is allowed for.

Enjoying your afternoon of bowling is mandatory!
