JDF LBC SALAD CONTEST

For those of you who wish to stay and participate in dinner then consider this your invitation to the **FIRST EVER JDF LBC SALAD CONTEST**. If you like Salads, then this is your ticket to everyone's favourite salads.

If you are planning to stay for dinner, we ask that **YOU DO** contribute to the festivities by bringing a salad (one per family), this is in essence a Potluck where everyone contributes. Bring your tastiest and most unique salad to enter in the Contest. Your salad should be large enough to feed 8 to 10 people, so everyone can have a taste. Your insider Tip of the Day..... only put a small scoop from about 4 to 6 salads at a time on your plate, this way you can discern each salad on its own... and then go back to try the rest!

The salad with the most votes will win the coveted prize and the bragging rights for 2022. We encourage everyone to enter the fun, the more the merrier!! And of course, we will then have a wonderful selection of salads for everyone to enjoy.

We do have fridge space, although limited, the mayonnaise-based salads can go in the fridges. For the salads that are not mayonnaise based please pack your salad in a cooler with ice packs. The coolers can be kept within the Clubhouse which will be cooler than your vehicle. The barbecues are available for anyone who cares to bring something to barbeque (you will need to cook your own selection). Kitchen B will be open for all to enjoy too.
