## **Report on the 2022 Galleon Cup from the Games Committee**

The Galleon Cup 2022 was played on our greens on the weekend of May 21 -22. The weather was perfect, & the 20 teams from the South Island contested it with a lot of good bowling in each of the five rounds, together with some “upsets”.

As the rounds progressed on day one, the top five was changing with each round but at the end of the day only three teams were undefeated. Six more were right behind them within striking distance.

In day two, after round four, the top three remained tied for points, but now there were only two teams left within striking distance.

From the way they were playing, it seemed that round five was going to decide the Champion between the teams of Lynda Robbins, Anne Murfitt & Mark Legacy. Although tied in points, they were separated by number of ends won.

Mark Legacy’s team bowled a steady game against the team of Shaen McRae to finish undefeated.

Anne Murfitt’s team ran into the “on-form” team of Harry Harrison to finish with a loss.

The drama came from the game between Lynda Robbins’ team & the very determined team of Jeff Leamen. Lynda’s team went ahead early on in the game, but Team Leamen was having none of it, & the lead began to swing back & forth. The game entered the last end with Lynda’s team behind by one shot. With the last bowl of the game to be played, Lynda’s team is sitting with shot bowl in the head & they have the last bowl to be played. That last bowl reached the head but could not negotiate a way to claim second shot, & so the game ended on a tie.

Mark Legacy’s team were the Champions with 15 points & 42 ends won.  
Lynda Robbins’ team claimed second place with 13 points & 46 ends won.  
Anne Murfitt’s team claimed third place with 12 points & 37 ends won.
