## INTERCLUB COMPETITIVE LEAGUE

The Women's Competitive League wrapped up today after 8 weeks of play with 18 teams participating. The winning teams were presented with their awards and celebrated after a delicious lunch of pizza.

Sharon Ward & Marie Thomas were the first-place team and on the final day of play Georgie Arndt spared for an injured Marie Thomas. And as seen in the photo to the right Sharon hustled over after the games to share the wonderful news with Marie.
