We had 10 teams play in the Kiwi Quaddie with approx. 50 members in total participating as they utilized the game share option. Our Games Committee (Wendy Leach, Vern Atkinson, Brenda Thomson & Cathy Robertson, Nigel Corser) did an excellent job in organizing the return of the Kiwi Quaddie, it has been 10 years since the tournament has been played. The trophy was gifted to us by the New Zealand LBC team who participated in the 1994 Commonwealth Games. This year's winning Skip, Tom Whelton, previously won the tournament in 2003!

John Turnbull organized our 50/50 draw (thank you, John) which was won by Lynda Bell for a pot of \$98.00; this is Lynda's second 50/50 win this season so for the next 50/50 draw we suggest you guard your tickets well Lynda!

Shannon Baggott and Linda Clegg organized the kitchen and kept everyone happy with refreshments and goodies. Thank you, ladies.

We had a tie for first place that was decided by the shot differential. Congratulations to the winning teams and all the members who participated. **Well Done Everyone.**
