

MEN'S TRIPLES LEAGUE

Next week is an optional play date. Many players will be away, and the curling leagues have begun which has reduced the number of available lawn bowlers.

After 85 matches over 17 weeks the results show a clear winning team. Congratulations go to **Jack Robertson, Ian Malcomson and Ed Saunders**. Their 37 points out of a possible 51 shows that they were quite dominant in the league. Second place was the team of **Gerry Clark, John Palliser, and Rick Flavell** was behind with 33 points. **Jim Ward, Bill Leach and Don Terlson** over came a slow start to earn third place honors with 31 points.

Many thanks to the 12 plus spares who stepped in to help the league run relatively smoothly. My apologies if I missed anybody on this list.
