

BROOKES WESTSHORE

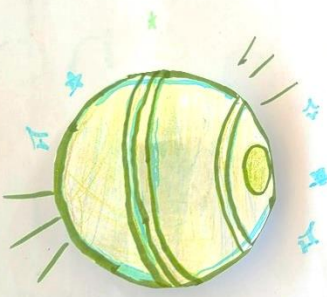

We hosted 16 students and their teachers from Brookes Westshore for an introduction to Lawn Bowling on Sep 26th & Oct 3rd. Our volunteers found all the kids to be polite and enthusiastic. A group of young people bring with them a high level of energy and unbounding interest in everything, it is a lot of fun to be around them. We talked up our junior program to all the kids and their teachers, as there were a few “natural” Lawn Bowler amongst them, and any Club would be proud to have them join.

Please take the time to view the lovely thank you card they created for our volunteers who came out to help them.

Thank
 ☆ YOU! ☆
