WHAT TO EXPECT AT OUR OPEN HOUSE DAYS

The only requirement is that you need to wear flat soled shoes while on the greens, the game itself consists of a bit of bending, walking and of course rolling the bowl.

Everyone is welcome to come out and give lawn bowling a try with no obligation, then if you are still interested, we offer two, 2 hours lessons for \$20 so you can get a real idea of the sport. If you decide to join us and become a member after that, your lesson fee is returned and you receive third and fourth lessons, as well as group coaching evenings once a week starting mid May.

When you become a member, you will have access to unlimited bowling 7 days a week from 10.00 am till dusk, from mid April to September 30th. We have many different types of leagues (days & evenings) for all skill levels. The leagues may have a one-time nominal fee of \$5 or \$10 where all the monies are returned as prize money at the completion of the league. Throughout the bowling season our Games Committee organize Fun Days, Club Tournaments (where all members regardless of skill level are encouraged to participate in) and many other bowling and social events throughout the year.
