**READY FOR A SPORT THAT IS CHALLENGING AND FUN?  
What We Offer to You**

We offer two 2-hour lessons with two of our qualified coaches for \$28.00. This allows you to get a real feel for the sport. If you decide to join us and become a member, your lesson fees is returned and you receive a third and fourth lesson, usually at group coaching in the evenings once a week starting mid-May.

We are a friendly sociable Club that bowl together during the summer and enjoy many events hosted at the Club from May through September. During the bowling season we offer coaching at all levels, friendly matches and inter-club competitions as well as social activities. There is something for everyone, beginners, the experienced, and the competitive bowler, every day of the week.

When you become a member, you'll have access to unlimited bowling 7 days a week from 2:00 am until dark, from mid-April to September 30th. We offer many different types of play in the evenings, afternoon, and evening for all skill levels.

Throughout the bowling season we also have Club Fun Days, in-house tournaments and many other bowling social events, where all members are welcome.

**LAWN BOWLING - A Sport for Life**

**OPEN HOUSE  
Welcome to Juan de Fuca  
Lawn Bowls Club**

**WHAT TO EXPECT ON JOF OPEN HOUSE DAY  
FUN!! FUN!! FUN!!**

**Object of the Game**

The aim of lawn bowls is to roll a bowl (the bigger ball) as close as possible to the jack (a smaller white ball) to win more points than your opponent.

**The Bowl**

Lawn bowls are not perfectly round. One side will be slightly heavier than the other, leading the bowl to curve in that direction. A bowler can manipulate the bowl by a manufacturer to give a specific trajectory, depending on the preference of the player.

**GIVE IT A GO! Try Something New**

Our Club has created a handout to give to the people who attend our Open Houses. The handout gives these potential members something to take home that works as a reminder, and it contains our contact information too. Thank you everyone, great job.
