BLACK & WET previously known as the BLACK & WHITE MIXED TRIPLES CLUB TOURNAMENT

SATURDAY, June 10, 2023

Sadly, the only winner on this day was the vegetation, the rest of us were a little wet and bedraggled, wishing we were still hibernating!! Our Games Committee called off the tournament after the first game which was played in a spring deluge, much needed but timing is everything!!

Our Games Committee hope to reschedule this tournament at a later date, so stay tuned. A sincere thank you to everyone who did come out to play, what a bunch of troopers!
