

2023 WOMEN'S THURSDAY MORNING LEAGUE

Our Thursday Morning Women's Triples League part of the season has just wrapped up and everyone who turned out for it had a good time!

Congratulations to the first place and trophy winners of the Juan de Fuca Women's Triples - **Donna Harding (skip), Lynda Bell (vice) and Sue Thorn (lead)**. Well played, ladies!

We will begin the Pairs half of the season next Thursday. It may run into September if there is enough interest. We need to be using at least 4 rinks each week to have the league run.

Everyone is welcome - new bowlers, novices, and experienced players.

There is no fee to play and no prizes. There is a club trophy, however! We will use your best 5 or 6 scores to determine if you qualify to play for the trophy at the end of the season.

You can sign up any Thursday morning before 9:45 am starting July 20th.

You do not need to come every week and it is not necessary to let us know if you are unable to come for any reason.

Tags in each week by 9:45 am. Four bowl pairs. 14 ends.

No game during Nationals...TBA.

Come out and give it a try! Email me if you have any questions.

Good bowling!
