

LAWN BOWLS FOR THE CURE (LB4C)

Once again Juan de Fuca Lawn Bowls Club hosted the Lawn Bowl for the Cure tournament. This tournament has been managed and run by Harry & Beattie Harrison for 20 years. **THANK YOU, HARRY & BEATTIE, FOR ALL YOUR HARD WORK, your dedication to this cause for the last 20 years is amazing and commendable.** Over the lifetime of the LB4C, the tournament has raised and donated approx. \$100,000.00 to Cancer Research. Each year the tournament boasts 32 teams made up from all the South Island Lawn Bowling Clubs. On each team there must be a minimum of 2 women & 2 men, and in the past some teams have had as many as 18 players! Teams come dressed for the occasion in pink or team costumes which adds to the festivity of the weekend.

This year was no different, as seen from the picture below, the orange haired beauty, Brent Merchant stood in for the missing team player. Each player donates \$10.00 for the privilege of joining the fun and there was also two 50/50 draws that raised another \$700.00 towards the cause. Thank you everyone for all your donations and participation in the final tournament of the year. Pictures from the 2 days can be viewed under **2023 JDF PHOTOS.**
