 - **If playing with four players your final score will be increased by 25%**
- Use scoring towel to facilitate recording of scores
- Player with first shot goes first next end and places mat and throws the jack
- Player with next closest shot goes second
- Burnt (*jacks that go out of bounds during play*) to be placed on two metre mark
- **Touchers are not part of this game, any bowl in the ditch is a dead bowl (discourages runners) Over thrown jacks that go in the ditch or out of bounds will be redelivered by next person and play resumes.**
- Score card totals must add up to 10 points per end and 140 total, do not accumulate as you go, check balance after 7 ends as per scorecard
