

# JDFLBC IS SUPPORTING THE YOUTH IN OUR COMMUNITY

Our Club has made a commitment to support the youth in our community by introducing them to the sport of Lawn Bowling. For any sport to thrive and flourish you must have an influx of young people.

We have four separate events scheduled and these have been customized to introduce them to the sport and the challenges within it, followed up with a quick game allowing them to put into practice what they are learned.

## **BC YOUTH WEEK MAY 5<sup>th</sup>**

We are joining the City of Colwood is participating in [BC Youth Week](#) 2024.

We want youth in our community to help shape the program of activities that will bring youth together to create healthy connections, learn new skills, and have a great time.

**BC Youth Week** is a provincial celebration of youth that many communities throughout the province participate in each year during the first week of May.

It is a week of fun filled interaction and a celebration intended to build a strong connection between youth and their communities. Colwood events will seek to highlight the interests, accomplishments, and diversity of youth and connect them to people and activities that support their health, well-being, and success.
