

OAK BAY WOMEN'S TRIPLES

This tournament is fondly referred to by the originators as the.....

“LADIES OF THE NIGHT TOURNAMENT”!

This is the last of the BSI Women's tournaments for 2024.

It took place at Oak Bay LBC on Sept 2nd to the 4th in the evening starting at 6:00 pm with the presentations being held on the last night. Juan de Fuca LBC fielded a great representation with 6 teams entering. Everyone was there ready to play and have fun. Fortunately, the weather was just as accommodating and we had beautiful weather for all 3 nights, with a gorgeous sunset each night. Their newly installed lights made it easy to see once the sun did set.
