

CLUB SINGLES CHAMPIONS

Friday Sept 27th brought a close to our competition for the 2024 Club Singles Champions. If you weren't there to watch the games, you missed a fabulous end to a wonderful tournament. It started this afternoon with Steve vs. Vern and Cherlynn vs. Michelle. Steve and Cherlynn moved forward to the finals to play Jack and Cathy, who had already qualified for the finals with no losses.

Cherlynn took an early lead in their game, but Cathy managed to work her way back till it was 20 - 17 in favour of Cherlynn. Cathy had the final bowl and was sitting three down. She needed 3 to tie and 4 to win. Her bowl took the jack and they both sailed into her 3 waiting back bowls, giving her 4 for the win. Congratulations **Cathy Robertson!**

The men had a tight game on a tough rink. Jack had an early lead, but Steve clawed his way back till it was 20 - 18 in favour of Jack. On the last end, Steve was sitting two shots up and with his last bowl he tried to raise for third shot and the win. Unfortunately, he clipped the jack and gave the shot and the win to Jack. Congratulations **Jack Robertson!**

Vern and Michelle ended their quest by playing against each other. What a joy it was to watch them interact as they went back and forth and, in the end, Vern took the win. You two are the epitome of great sportsmanship.

This has been such a great event, and it wouldn't have happened without all our amazing volunteers. Cheers to our markers who helped the games run smoothly, to the timekeepers, to those who helped set up the equipment, and to those who made coffee and supplied goodies.

Most importantly we would like to thank Steve Shulhan for generating the schedule and making it all come together despite all the challenges put in your path. Nicely done 🍌
