

CINCO DE MAYO MAY 9th, 2026

Lynda Bell in her debut event as our new Social Coordinator knocked it out of the Greens with our Cinco de Mayo celebration. Lynda along with her cohorts Shannon Baggott and Donna Harding had the Clubhouse festooned in bright beautiful colour depicting Mexico. Flags hung from the ceiling, flowers decorating every table - it truly was a sight to behold.

We had 40 members turn out to bowl, and we all tried to master the game of

Chaos. This game doesn't just level the playing field -it turns it upside down! Each team member throws 3 bowls. For the first, you use one teammate's bowl and throw with your dominant hand; for the second you use your other teammate's bowl and throw with your non-dominant hand; and finally, you get to throw your own bowl for the last one. The first throw usually wasn't too bad, but throwing with your non-dominant hand was hilarious. There was nothing pretty or accurate about it!! All in the name of fun, right?

After bowling, we settled down for a game of Mexican Bingo. Jim Ward was our caller, and he gets full marks for his pronunciation of the Spanish words - many of which most of us had never even heard before. The Edwards family cleaned up during the game, and both walked away with prizes.

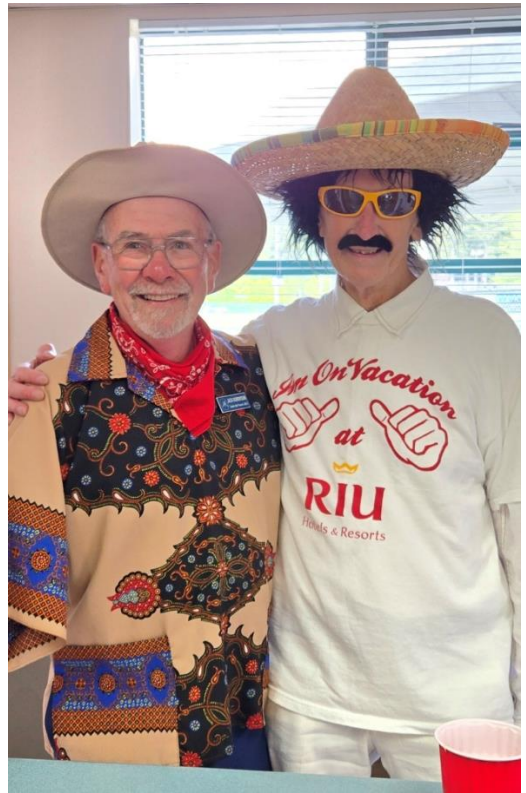

By then we were all ready for dinner and fortunately it was ready for us. Bud and Donna Harding had been hard at work cutting, shredding and cooking as they prepared Bud's famous "Tacos in a Bag". It was excellent – hot, plentiful and delicious. You could tell just how good it was by the quiet that descended on the Clubhouse as everyone thoroughly enjoyed their meal.

Thank you very much to Lynda, Donna, Bud and Shannon. You all did a fantastic job!
