

🏆 The Challenge Cup has found its first home 🏆

Gwen and Steve Shulhan attended the Colwood Council meeting Monday evening where Steve had the honour of presenting the inaugural West Shore Mayors & Councillors Challenge Cup to Colwood Mayor Doug Kobayashi, whose municipality took home the trophy after a great evening of competition.

The Cup will now have a place of honour at Colwood City Hall until next year's Challenge Cup, when Colwood will return to defend its title!

A big thank you once again to everyone who came down to play, joined us for the BBQ, volunteered, cheered on the teams and helped make the evening such a great event for our club. It was wonderful to see so many members involved and enjoying the evening together 🍷
